We are currently in the eye of the storm regarding events. Recently we had folks regale us with fun tales from Rowany Festival and some of us enjoyed the lovely 30th Anniversary of Aneala at the feast/tourney. Now we have May Crown to look forward to. I intend to represent Dragons Bay to the best of my abilities for their Majesties. We also have only 2 weeks (about a month) 'till Pencampwr. My sewing projects are looking at me expectantly...

I'd like to offer thanks again to Abertridwr for joining us at the Willetton Demo. I thought it was a success. Hopefully we see a new face or two, but regardless, we had a lovely day out.

The trailer has a new home! I'm sure M'lord Pantera will find it very useful. I am glad that the saga has had a positive outcome.

My regalia agenda continues. We still haven't been able to hold a sewing workshop due to schedule changes. Hopefully we will be able to have one soon. I'm happy to offer my house and table to those who may want to buddy up to work on things leading up to May Crown and Pencampwr. Along with your projects we can fit in a few chair cover finishing touches and work on a banner or two.

On May 7th, I will be running a static display pavilion in the morning at Sloan's Cottage, Kwinana. It starts around 8 and ends just after noon. If anyone would like to come by in garb to help promote us I'd be glad to have a buddy. Training will still be running concurrently.

Before I go, I'd like to promote attendance to council meetings. It's nice to get input and ideas from members of the group on what we are doing for the year. Everyone is welcome.
