### **Proposed Events:**

Annual Green Dragon Feast in November (volunteers needed to run this event): Bids for this event are open for an autocrat & team to run the event this year. It is proposed that this becomes Dragonsbay's signature event, such as Pencampwr is for Abertridwr, and can become something we can grow upon over time to perhaps become a festival as such. We are still waiting to hear back from the hall owner in regards to a date that the church group are away.

### **General:**

The devices have come back and all will need modification, this will be done according to the comments made in what would need modifying, and will be resubmitted with the corrections for conflict checking. Update from Lord Ragnarr.

Questions have been raised as to who should be admins on our social media groups (Facebook and Yahoo email group). It is proposed that it should be the Webminister and Seneschal at least. Lady Rosamond will look into setting up a non-yahoo kingdom-type mailing list to make things easier in getting information out.

Lady Lealan has approached the Rockingham Library in regards to putting up posters to advertise the group. All are happy for this to happen, posters will need to be designed etc.

We will need to look into getting some nice feasting gear for May in the Bay for the Royals, will need to see what is around to accommodate this and come back with suggestions.

Morgan Spriggs has asked to be more involved in helping to plan kids activities at events. All are welcome for this to happen.

Lord Guntrammus has asked about Corum when it comes to running a meeting. It is our understanding that is is a Senschal, Reeve and one other major officer. The Reeve and Seneschal also cannot be partners or related to each other. It is something that will be brought up at the next AGM. Lady Imagina will ask the Seneschal's list in regards to this as well.

Suggestion to do a small demo at Willeton Rotary Club Fair that occurs 3<sup>rd</sup> April. Lord Guntrammus has looked into seeing if this can be run at such short notice, and it can be done. Approval has been given for it to be put onto announce etc. and to go ahead. Lady Olwynne will be put down as steward and will be liaising with Lord Guntrammus in getting this up and running. Approved by all. Motioned by Lady Sorcha, seconded by Lady Olwynne.

In recent times Council has tended to run our events. Now that our numbers have grown and our group is larger, we would like to encourage groups and individuals to put forwards proposals for their own events. Therefore it will be up to whoever is running the events to choose their team. Event stewards choose who they work best with in getting the job of running an event done or they can call volunteers for assistance. If you have any questions regarding a proposed event, please contact the event steward, or the group seneschal.
