3. BARONIAL STATEMENTS

3.1 *Baron & Baroness of Aneala*

Baroness Elizabeth addressed the Council meeting regarding Anealan Championship.

Dragons Bay populace are encouraged to attend, take part and enter into the Championships. It is appreciated that Dragons Bay populace have a long way to travel to do so.

Devine Winter asked if someone could be a Champion of Aneala and Dragons Bay.

It is possible that if a person wins the Anealan Championship they may be ineligible to enter the Dragons Bay Championship. This varies according to whom reigns in the Barony.

There is a List Shield Painting session on Saturday, with Vegetable Olympics held that night. Liduina asked if there would be a Merchants Row, which Elizabeth noted is likely on the Saturday.

Skjaldadís advised there will be a Feasting tutorial class. Skjaldadís will also be cooking one of the removes for the Feast.

Baroness Elizabeth advised the populace of Dragons Bay to feel welcome to attend.

Avalon offers apologies as Bard that she cannot make it to Championship this year.

Baroness Elizabeth left the meeting at 12:08pm.

3.2 *Seneschal of Aneala*

Seneschal of Aneala flew in on Friday 16 August 2019 at 6am. Richard gives apologies but reiterates that Dragons Bay populace are welcome to the Championship.

3.3 *Past Seneschal of Abertridwr*

Galen Wulfric gives apologies. He has been diligently contacting Kingdom regarding Abertridwr assets and funds. The matter may go to the next meeting of the Board of Directors for consideration. It is hoped that by next Council meeting Dragons Bay should have some feedback regarding an outcome.

Blackglove arrived at 12:10pm.

4. ANEALAN COUNCIL KEY NOTES

4.1 *Seneschal of Dragons Bay Report on Key Notes from Anealan Council*

Anealan Council to be held Friday 20 September 2019. Seneschal of Dragons Bay shall report back from this meeting at Dragons Bay's next Council meeting (October 2019).

Skjaldadís will be attending the Anealan Council, proposing SCA attendance at Pride Parade (November 30) as she is unofficially heading Clan Blue Feather in the Western Shores.

Devine advised she does a San Churros run in Northbridge after this meeting; people are invited to attend this post-meeting session.

5. JUNE 2020 COMMITTEE UPDATES

5.1 *June 2020 Long Weekend Updates*

The Committee for the June 2020 Event is composed of:

- Seneschal of Aneala
- Seneschal of Dragons Bay
- Baron and Baroness of Aneala
- Most recent past Seneschal of Abertridwr

The first face-to-face meeting was held on 14 September.

It is hoped that the Town Meeting will be held in 6 weeks time (tentatively proposed for 8 November) and a survey monkey will be conducted following this.

Skjaldadís advises that she will be heading back to Singapore in October and has no firm return date yet. Devine Winter encourages Skjaldadís to respond to the survey monkey.

Nathan of Dragons Bay and Konrad Hildebrandt arrived at 12:13pm.

Devine Winter encourages non-members to join the SCA to ensure their voice is heard and have weight behind it. This is especially true in regards to this June 2020 event as it is traditionally heavily attended by those whom are non-members. Currently, SCA policy may allow for a weighting of 25% to the voice of non-SCA members, whilst financial SCA members have 100% weighting to their voices.

It is envisioned this weekend event shall become more of a Festival-type event, keeping some elements of what that weekend used to be, and integrating elements of Konrad's 'Harvest Feast' bid proposed at Anealan Council. Once a framework has been established then the Committee will put this proposal to the populace for their feedback and consideration.

Liduina asked where the event may be held. Devine advised that it is likely Wandi as it provides scope for archery. Other venues have been considered. Some examples include the Mandejal Activity Centre in Karrakup and scouting venues.

Mandejal site does not allow for use of personal archery equipment. Archery would require populace to use the Mandejal-provided archery equipment and their marshal, at a cost of approximately \$200.

Some of the Scouting venues that were appropriate for use otherwise would be dry sites, which would exclude some of the attendees whom engage in responsible drinking.

Blackglove asked if there was a timeline for finalising the event. Devine Winter advised it is estimated a 3 month process.

Town Hall will not be held at Wandí. Liduina asked where it would be located instead. Devine Winter advised a central location, possibly Cockburn area, to allow easy access along the freeway for those traveling from further destinations.

Populace are invited to send thoughts to the Seneschals. All elements are open for discussion, with no thought or opinion veto'd outright. A curation of messages will be read at the Town Hall meeting to ensure concerns are raised.

6.3 *Comet Bay College Demo*

Comet Bay College has approached Devine Winter as Seneschal of Dragons Bay for a demo on Wednesday 25 September 2019. Such an engagement demonstrates Dragons Bay is eager to engage with the community, enhancing knowledge of medieval history, arts and disciplines.

Skjaldadís advised this fair has medieval booths and attendees are encouraged to dress appropriately and add to the ambience of the fair.

Galen, Blackglove, Slaine and Devine will be attending and others are invited to attend if they are able. Avalon is encouraged to attend as a bardic presence.

Blackglove will bring the new armour kit to allow the children to engage in a supervised manner.

8.1 *Officer Reports*

Agenda was held up this month due to reports submitted late.

Slaine, Andy, Avalon and Skjaldadís would like a copy of the standard report template. Gummi to send a copy to all Officers for their use should they desire. Officers were reminded to submit reports in Word/doc format.

A&S Minister Report Comments

Skjaldadís advised of difficulties organising Scribes at Wandí.

Ilaria hosts Scribes more often than not on Monday evenings at her abode in Gosnells (7-9pm). Ilaria welcomes Dragons Bay populace to attend. It is encouraged for Dragons Bay populace to attempt attending Monday weekly evening sessions, which are situated in a southern location.

Skjaldadís proposes for Official A&S to be held at Wandí Clubrooms fortnightly concurrently with archery training (possibly 2nd and 4th weekend of each month), to be hosted alternating between Skjaldadís and Slaine. This allows for no cancellation of training due to inclement weather; archery training turns into maintenance for targets, arrows, bows, alongside A&S projects.

Wednesday night A&S at Slaine's house will be returning later during the year, running concurrently with armoured/rapier training.

Skjaldadís to advise Gummi of the dates she will have casual A&S gatherings at her abode.

Slaine notes it is optimal for A&S gatherings to be held at neutral spaces such as Wandí Clubrooms, so that loyalty remains to the group rather than to a place or people.

Blackglove is considering Cooks Guild to run concurrently as archery training, alternating with A&S fortnights. Blackglove proposes to coordinate this with Skjaldadís to balance with A&S gatherings, and increasing the functionality of the space when hiring the grounds.

Skjaldadís encourages populace enters A&S for Baronial Championship.

Chatelaine Report Comments

Avalon advised Council of the donation of books to the Dragons Bay library.

Recommend:

Dragons Bay Council moves to run Arts and Sciences and Cooks Guild at Wandí Clubrooms concurrently with archery training.

Moved: Avalon

9. GENERAL BUSINESS

9.1 *Committee for Regalia*

Definition of 'Regalia':

For the purpose of this proposal; "Regalia" to be defined as such property items as may be used in court or in the conduct of their duties by any of the officers or champions and such amenities as may be permanently made for the use of landed nobility, royalty or special guests attending Dragons Bay events. Including court banners or field banners to be displayed adjacent to the list field or similar related decorations.

Blackglove advises that forming this Committee and a policy will provide direction, ensuring items donated and created have long-term durability and usability.

Slaine notes that there are tabards in the Abertridwr assets and fabric. Pending the outcome of the Abertridwr funds and assets, these assets may be added to Dragons Bay's.

Slaine is happy to donate fabric from her home stash toward the creation of banners and tabards. Liduina advises she has a tub full of material in heraldic colours that she will donate to be used for creating banners.

Avalon would like the chair covers for Dragons Bay to be prioritised and finalised (via an A&S gathering) prior to the Yule Feast in December.

Recommend:

Dragons Bay Council supports:

- 1) The formation of a sub-group of this Council to be known as the 'Regalia Committee', comprised of the Arts & Sciences Minister, Herald & Seneschal (or nominated representative) to:**
 - a) Assess proposed projects for regalia items**
 - b) Assess proposed donations of regalia items**
 - c) Review any existing regalia as required**
 - d) Review regalia needs as required**
 - e) Issue warrants to make, construct or replace such regalia as may be required by Dragons Bay**

- 2) This Committee to develop and submit for Council's consideration a policy for regalia items**

Moved: Skjaldadís

Seconded: Blackglove

9.2 *Donations Received by Dragons Bay*

Dragons Bay has received several donations from its populace over the past month, including:

- 5 x lucets from Liduina
- "Dragons Scale" Quiver for the Dragons Bay Champion of the Bow from Blackglove
- Viking helm from Devine Winter
- Viking drinking horn from Talwen
- 2 x tokens from Galen Wulric and Slaine for the DBOO
- 3 x tokens from an anonymous donor for the DBOO
- Books from Susannah Scarlet for the library:
 - "England: The Making of the Myth from Stonehenge to Albert Square" by Maureen Duffy
 - "The Medieval Centuries" by Denys Hay
 - "The Celts" by John Davies
 - "The Enchanted World: Legends of Valour" by Brendan Lehane and the Editors of Time-Life Books

Recommend:

Dragons Bay Council thanks these generous members of the populace.

Moved: Gummi
Seconded: Devine

Slaine left the meeting at 1:24pm.

9.3 *Champion of the Bow Regalia*

Blackglove proposes that each Champion of the Bow receives the perpetual "Dragons Scale" quiver.

On handing the quiver to their successor the previous Champion shall have placed within the quiver an arrow fletched with their personal livery. Marked upon the arrow to be their name and year of winning the title.

Alexander Cochrane forged a steel arrowpoint to donate as a past Champion. Nathan intends to create an arrow for this, with Dragons Bay fletching (white and green). Both their names shall be on this arrow. Nathan will also add one of his own to this quiver.

In addition there is a Champion's Bow and Champion's Knife which are considered part of this regalia set.

Recommend:

Dragons Bay Council supports the implementation of the perpetual quiver with each Champion of the Bow to:

- 1) Become custodian of the quiver whilst they are Champion of the Bow**
- 2) Create an arrow fletched in their colours, marked with their name and year of winning the title, to remain with the quiver upon handing it over**

Moved: Gummi
Seconded: Nathan

9.4 *Champions of Dragons Bay*

As populace grows, so do the numbers of those who long to test their worth. There are now those skilled in several different arenas, beyond the field of archery.

It is timely to consider expanding the Dragons Bay event of 'Champion of the Bow' to a Dragons Bay Championship, to allow those whom wish to contest for such titles in the areas of archery, armoured combat and the arts & sciences. Rapier is yet to establish firmly in Dragons Bay, however scope should allow for a Champion to be sought in the future.

As there are a number of youth actively participating in Dragons Bay, it is appropriate to consider Youth Champions for each of these disciplines.

Avalon proposes that "Champion of the Bow" remains at Boddington as a single-day event. An entire Championship-style event would require the event to be held across an entire weekend.

Concerns were raised regarding Boddington's suitability for a higher capacity of attendees. Inter-College War has been held previously at Boddington, which had possibly 50-60 people attending, with 2 portaloos and drinking water (via 1000L tanks).

It is noted however that since this event the camp kitchen has been converted into a workshop. Without these facilities an event may require a commercial kitchen to be brought in.

It is believed among some of the populace that a Champion of the Bow event would constitute an element of hunting in the woods. Mobility and accessibility issues may exclude some people participating in 3D animal shoots despite a 'low' course being available, giving an unfair advantage to others.

Devine proposes that the Boddington site requires a feasibility study in terms of capacity, especially with water restrictions in mind. The requirement to bring in portaloos, showers and a commercial kitchen could make this a costly event to recoup hiring these facilities. It is important to bear in mind that the destination could also dissuade attendance by those living north of the river.

Discussion was held around holding Champion of the Bow at Boddington, with other Champions sought at a different venue and weekend. It is generally accepted that all Champions should be sought on the same weekend.

Skjaldadís suggests considering a different site for Champions altogether.

Blackglove asked for the addition of past Champions on the website.

The proposal for next year's AGM could include considering one (1) possible qualifying event from three (3) events for seeking Champion of the Bow (eg. 3D target; an IKAC; novelty shoot). The best score of these would assist with qualifying for entering the Champion of the Bow event.

Skjaldadís is to consider regalia for each proposed Champion's discipline and present these at the next Council meeting.

Recommend:

Dragons Bay Council supports:

- 1) **The expansion of 'Champion of the Bow' to include seeking:**
 - a) **Champion of Armoured Combat (& Youth)**
 - b) **Champion of Arts & Sciences (& Youth)**
 - c) **Champion of Rapier (& Youth)**
-

2) The implementation of perpetual regalia for these Champions

Moved: Avalon
Seconded: Skjaldadís

9.5 *Additional Key*

Currently there is one key for the Dragons Bay storeroom, held by Liduina in her capacity as Group Constable. There has been several occasions where equipment has been required from and to be returned to the storeroom, with difficulty encountered in coordinating times appropriate for all parties.

Recommend:

Dragons Bay Council tables this item pending outcome of Abertridwr assets and payment of Abertridwr storage room.

9.6 *Postcode Administrative Change*

Currently the Hill Family are located in the suburb of Cardup, which is designated administratively as Aneala.

Recommend:

Dragons Bay Council supports the Hills writing a submission to Kingdom Seneschal to consider the administrative change of the postcode '6122' from Aneala to Dragons Bay.

Moved: Andy
Seconded: Liduina

9.7 *Period Toybox Joint A&S Project*

With new Officers and a growing youth contingent, it is proposed for both Aneala and Dragons Bay to work together on a period toybox. This would be a chest filled with various period toys, such as jointed dolls, balls, games and the like, that could then go to events. Not only would this have use by children at events, but could be an item present at demo's to showcase other skills of the groups to the public to show that Dragons Bay is child-friendly.

This proposal is for a casual, ongoing project that the populace can contribute to over time. It is possible to tie this into the Championship for Arts and Sciences, provided documentation is submitted.

Recommend:

Dragons Bay Council supports Dragons Bay Arts and Sciences Minister approaches the Anealan Arts and Sciences Minister with the proposal of the populace of the Western Shores working on an ongoing, joint project of a

period toolbox for use at events and demo's, and tying this in to the Dragons Bay Arts and Sciences Championship.

Moved: Devine
Seconded: Gummi

9.8 *Missive - Chair of SCA Ltd*

"The SCA Ltd Board (Australia) would like to thank the large number of Members who provided feedback regarding membership fees.

Effective for fees collected from October 1, 2019:

- * SCA Ltd (Australia) Membership will be \$45.00 per year for adults and non-dependent minors;
- * Family Minor Membership will remain free of cost to Members, for legal dependents of current adult members.

In the next two weeks, guidance will be provided to Seneschals and Reeves regarding administration of the changes to Event Membership fees and recruitment activities.

Yours in service

Chair, SCA Ltd. Australia"
(sic)

It was discussed among Council that the missive should read:

"Adult Event Non-Membership Fees will increase to \$10.00 per event;
Minors Event Non-Membership Fees will remain at \$5.00 per event"

Members from Australia going overseas do not need to pay insurance levies.

Nathan advises that whilst the fee is going up, SCA membership is still comparatively lower than a lot of other clubs.

Devine Winter advises that Little Spoon has been commissioned for a wooden frame for an iPad to be made available to enable people to sign up immediately. There may be consideration toward a mobile payment method later.

There is a steering committee considering subsidising event fees for those holding concessions at the Baronial level.

Sigmund left the meeting at 2:02pm.

Recommend:

Dragons Bay Council notes the missive sent via Chair of SCA Ltd, Australia, on 5 September 2019, noting these changes to take effect on 1 October 2019.

Moved: Gummi
Seconded: Andy

9.9 *Bunnings Sausage Sizzle*

Dragons Bay Council notes the requirement to continue raising funds. Devine Winter spoke to staff at Baldivis Bunnings in regards to holding a sausage sizzle at this venue, with Harry secured as a contact.

Skjaldadís proposes doing the sausage sizzle in garb. Devine Winter proposes to treat this as a mini-demo with a heavy combatant in attendance as well to engage the public.

Devine as steward for the first sausage sizzle.

Recommend:

Dragons Bay Council supports undertaking a Bunnings Sausage Sizzle.

Moved: Andy
Seconded: Skjaldadís

9.10 *Throwing Axes, Throwing Knives and Javelins*

There has been much discussion and interest around introducing throwing axes, throwing knives and javelins to Sunday training. The opportunity exists for populace to be commissioned for some of these items. Andy shall liaise with some members of the populace in regards to quoting for the provision of throwing axe heads, throwing knives and javelins to either the group or for individuals to purchase.

Recommend:

Dragons Bay Council supports this consideration.

Moved: Skjaldadís
Seconded: Blackglove

9.11 *Loaner Gear*

Blackglove collected loaner armour kit (which is pending assessment by the Knight Marshal) and 3 x flip-face SCA-legal helmets from Sir Andre which are ideal for archers for war, only requiring mesh to make these legal for war scenarios.

Blackglove has also purchased a brewing kit.

These items are to be added to Dragons Bay Asset Register.

Recommend:

Dragons Bay Council supports these additions to the Dragons Bay Asset Register.

Report for Arts & Sciences Minister

Past events:

- Monthly A&S sessions
- Viking Garb workshop

Upcoming events:

- Monthly A&S sessions
- Scribes meetings in Dragons Bay
- Viking Garb workshop a Cooks' Guild
- Championship

September 15th was proposed as a date for Scribes, but it fell through due to a bereavement. I will see if someone else would be willing to come down to DB to coordinate Scribes.

Baroness Elizabeth's workshop series started with a workshop on Viking undergarments, which I ran at Wandí on the 17th. It was very well-attended and went very well, I think; several people brought washed fabric and made good progress on their garments. (I would like to make special mention of Lady Devine's generosity; when Lord Gotz turned up with eagerness but no fabric, she kindly gifted him some very lovely washed and ironed green linen to make a tunic with.)

The next Cooks' Guild meeting is scheduled for Saturday September 21st.

I will be organising September A&S on the 22nd at my home after Sunday training; I hope the early notice will make for good attendance. Hopefully it will provide an opportunity for the populace to finish up their Viking garb ahead of Championship; I will be more than happy to help people with their garb.

I also encourage the populace to work on A&S entries to submit at Championship.

Yours in Service,

Lady Skjaldadís Bragadóttir

Report for Herald

Unto the council and populace of Dragons Bay and others of these Western Shores does Peter D'Gaunt Noir give good greetings.

I have acquired a heraldic tabard for use during events, and it shall accompany my heraldic staff once works begin on crafting it.

I have provided a list of Baronial Awards for the Web Minister to make use of for the Award Recommendation Form on Dragons Bay Website.

A call out to populace has been delivered, seeking their stories to tell upon the Order of Precedence. I have received one such tale and forwarded it to the Web Minister for addition to the Order of Precedence on the Dragons Bay Website.

I remain available by casual arrangement to provide assistance and advice to the populace who are seeking to research, develop and register a name and device.

I look forward to serving Dragons Bay, contributing to the group and working closely with our Knight Marshal and List Keeper to achieve the above goals and helping Dragons Bay to shine brightly.

Last report upline	31 July 2019
Last report to Council	18 August 2019

The inaugural Dragons Bay Officer Ovation (DBOO) was held on 18 August 2019, with Officers celebrated and Mistress Angharad remembered. Regalia for the Officers were handed out in the Baron and Baroness of Aneala's Court, along with awards for the populace. The Rockingham Environmental Centre was transformed into a feasting hall by the aid of the populace and Centre volunteers, and will likely be used for future events. Thank you to the stewarding team for their organisation and all whom brought food for the potluck - the groaning board did groan under the weight of such generosity.

Council welcomes three new Officers among their ranks: Slaine as List Keeper; Liduina as Group Constable and Sorcha as Chirurgeon. Thank you for your assistance, it is appreciated. Applications for Youth Officer is undergoing further scrutiny due to the nature of the position.

Part 1 of the Viking Garb Workshop held at Wandí was well attended. Skjaldadís provided a handout and instruction, assisting people making underdresses and a tunic whilst others worked on their A&S items. Part 2 was held in Bassendean on 14 September, with instruction on creating Viking over-clothing provided by Ilaria.

The June 2020 Committee meetings are ongoing, with the first discussion of the Committee held on 14 September.

Those of the populace whom engage in armoured combat, rapier and archery are encouraged to enter the Baronial Championships to test their skills against others in a tourney setting and make a bid for becoming an Anealan Champion. A missive must be sent to the Baron and Baroness of Aneala to indicate your interest prior to bookings closing for the event.
