From the Seneschal

Greetings, fellow Gentle Folk of the Dragon,

In September we sought our Champion of the Bow, upon the testing grounds of Boddington. The gentle and skilled Ulfr fra Jorvik was victorious and with a sure eye, steady hand and sharp arrow, he will protect the lands for the coming year.

Our people took to Naragebup Festival to demonstrate the martial arts and skills of the sciences and arts. We welcomed several newcomers whom sought to join us at this particular event to the hearth of Dragons Bay. Many salutations to our new members! Our ranks swell with renewed passion and interest.

We demonstrated our fighting style at the Baldivis Country Fair, including a small 'Court' held in good humour by the Baron of Aneala to celebrate the fighter decided by popular choice.

Such demo's put our warriors in good stead for the Einherjar, fighting upon the Wandi grounds alongside our Anealan brothers of arms.

Rekkrrthing blessed our western lands with the presence of Their Majesties, who recognised the efforts and services of those guarding the furthest reaches of Their Kingdom.

Congratulations all those whom recieved Awards, huzzah!

We took refuge from the blasting of the sun for the Green Dragon Games Day and Yule Feast, partaking in games and entertainment of the mind whilst bodies rested from unrelenting summer heat.

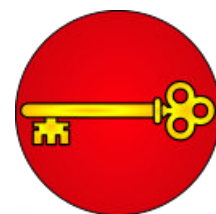

Those of the Dragon now look forward to 2020, with the promise of several events, including the Valentine's Feast on 15 February.

I look forward to more arts and sciences workshops, as members seek to create their own arrows, garb and many other items that may take their fancy. Commentary commences soon for the Arts & Sciences Officer, as we thank Skjaldadís Bragadottir for her efforts in guiding the growth of the Canton in its skills, personal effects and regalia.

Please continue to make [Award Recommendations](#). We do not need an imminent Crown visit to advise Their Excellencies and Their Majesties of the great and noteworthy deeds our people demonstrate.

Enjoy yourselves as we settle into the summer, and I look forward to continuing to serve Dragons Bay, Aneala and Lochac with you all.

Yours, in Service to the Dream,
Lady Devine Winter

Quartermaster

As discussed at AI Thing 2020, Dragons Bay is now advertising for applicants for its Quartermaster position.

Putting your hand up for an Officer position is one of the best ways to help your Canton to grow. All Officers are volunteers and become experts in their own fields. Assistance is provided by other experienced members of the group.

All Officers must:

- Be 18+
- Maintain their memberships throughout their tenure
- Become members of the relevant [mailing list](#)
- Report to the Seneschal each month
- Report to the Seneschal and their Upline every quarter
 - For a Canton reports are due on 15th of January, April, July and October

This allows the Upline Baronial Officers a month to incorporate the reports from their subordinates in Cantons and Colleges.

JKAC and Novelty Zombie Shoot

Thank you Lady Avalon for stewarding the IKAC and Zombie Shoot today.

Heartfelt thanks to M'Lord Andy for being TAM on this hot day and setting out a very professional archery range, and also talking our newcomers through safety and archery basics. We had some new faces on the line and new names on the score sheet!

Welcome to our newcomers: Kelly and her family of younglings who took to the line; Kenneth, Wendy, and Stella. It was great to see Euphemia trying out her new garb and her puppy, Hugo. Cluck Norris was in attendance too making for a fun menagerie.

Thank you Sigmund and His Excellency, Baron Agostino for turning into shuffling zombies for the novelty shoot - much laughter was had while you braved the heat in full armour. And to all whom brought food for our hungry bellies - our table was blessed with a feast.

Book for the Feast

Come one come all Valentines of these Western Shores as we celebrate this day of innocence and serenity and turn our faces away from the intrigues and Complication to less simple pleasures. To prove their commitment or resistance to loves fair delights a Rose Tourney will be held where prowess chivalry and courtesy will be the measure of a fighter's troth and fortitude.

Should rapier be you blade of choice then an opportunity also exists for a tourney where renaissance fighters may display their own measure of prowess chivalry and courtesy under loves fair banner.

To strengthen our resolve and give equal substance to body's as well as hearts the day will commence with a ploughman's lunch of rustic pastoral pleasures. And what better way to mark the successes of the day than to enjoy dancing, games, song and merriment as together we feast in an Italian style with food as equally fitted to amore dell vita, romance and love as any tryst or dalliance.
